PLEASE NOTE THE FOLLOWING PROVISIONS:

1. You are not allowed to work unless you have completed the required W-4 and I-9 employment forms. No payment will be made by the Business Office unless these forms are on file.
2. The Business Office requires students to electronically log their hours worked. This is done through the WorkStudy tab found on the MyNWC portal system. Supervisors will give timesheet data to the Business Office on the 1st working day of each month. Payments will be made only for work assignments. Paychecks will be direct deposited on the 10th of the month.
3. You will be accountable to your work supervisor for your performance of duty, dependability, etc. and, as your employer, your supervisor has the right to dismiss you any time you do not work up to the expectations. In the event you decide to end your employment you should give the supervisor a 1 week notice before quitting.
4. It is your responsibility to work out a schedule of working hours with your supervisor.
5. If issued a key, you agree to keep it secure. You will not loan it to others or duplicate it. Also, you agree to return it at the end of the contract.
6. By signing this contract, you agree to keep student records and administrative data confidential pursuant to the Family Educational Rights and Privacy Act of 1974 and other federal and state statutes.
