SUMMER STUDY ABROAD**
Great Britain

**NORTHWESTERN
COLLEGE**

"As a theatre professor and art lover, I attend the theatre and visit art museums every chance I get. Even so, I see more great theatre and experience more priceless works of art in three weeks in Great Britain than I could in two or three weeks of my normal life. The Great Britain SSA represents a fantastic immersion in a beautiful culture that values great theatre and art. My favorite part of teaching at NWC is the opportunity to lead this course." -Dr. Bob Hubbard

2014 Summer Study Abroad

Great Britain

GEN 350 British Culture Through Art & Theatre

- ◆ 4 credits

William Shakespeare— speaking through his character, Hamlet— tells of art’s ability to “hold a mirror up to nature” that reveals “the very age and body of the time, its form and pressure.” Taking Hamlet’s words seriously, this program will explore British culture, past and present, through immersion in London’s theatre and visual art. While on-site, participants will attend eight-to-ten theatre productions and visit six-to-eight museums. There will also be opportunities to observe and engage the culture through various activities and guest lectures.

Course Requirements

- ◆ Attend pre-trip meetings
- ◆ Attendance and analysis of theatrical performances, art gallery exhibitions, and museums
- ◆ Portfolio
- ◆ Journal
- ◆ Written reviews of a theater production & a restaurant dining experience
- ◆ Ethnographic field interview
- ◆ Final paper

Faculty: Prof. Bob Hubbard and Prof. Jonathan Sabo, members of Northwestern’s Theatre Department, will lead the program. Prof. Hubbard co-led the Great Britain program in 2004, 2006, 2008, and 2012. Both faculty look forward to taking NWC students to London again in 2014.

Passport and Visa: For U.S. citizens, a passport is required for entry into Great Britain; a visa is not required for tourist stays of less than 90 days. Information on how to obtain a passport is available from the Global Education Center or <http://travel.state.gov/>.
