**2016  
SUMMER STUDY ABROAD**

**Great Britain**

**NORTHWESTERN  
COLLEGE**

*"What will three weeks in Great Britain get you? Homestay hosts you may be friends with the rest of your life. At least 13 plays and 10 museums. Worship at St. Paul's Cathedral. A castle ruin. The beauty of the Cotswolds and the intensity of London. A stronger appreciation for or an introduction to the history and culture of a country so tied to the history and culture of the United States. It will be fun, and it will be challenging. Mostly, though, it will change you."*

## 2016 Summer Study Abroad

# Great Britain

### GEN 350 British Culture Through Art & Theatre

- ◆ Summer 2016 (Tentative May 18-June 9)
- ◆ 4 credits
- ◆ Prerequisite: acceptance into the program (the pre-trip class for this program includes 3-4 meetings prior to departure)
- ◆ Fulfills cross-cultural gen-ed requirement

In his speech to the players, Hamlet, the creative fruit of a great Londoner, reminds us of the capacity of art to "hold a mirror up to nature" and, in doing so, show us "the very age and body of the time, its form and pressure." Taking Hamlet's words seriously, we intend to explore British culture, past and present, through immersion in the theatre and visual art of this great cultural center. Our summer study abroad is a course that will identify, explore, and reflect upon the many elements of British Culture, but specifically as they illustrate themselves in visual art and theatre. In doing so, we believe that this course will offer Northwestern College students a meaningful and instructive cross-cultural experience.

### Course Requirements

- ◆ Attend pre-trip meetings
- ◆ Attendance and analysis of theatrical performances, art gallery exhibitions, and museums
- ◆ Portfolio
- ◆ Journal
- ◆ Written reviews of a theater production & a restaurant dining experience
- ◆ Ethnographic field interview
- ◆ Final paper

**Faculty:** Prof. Karen Barker and Prof. Drew Schmidt, members of Northwestern's Theatre Department, will lead the program. Both faculty look forward to taking NWC students in 2016.

Approximately \$5600. This price includes four credits (discounted at 1/2 off tuition) and all direct costs (airfare, food, lodging, entrance fees).
