

Travel Worship Coordinator

Campus Ministry Team 2017-2018

Why worship & music ministry? To contribute to the worship of God at NWC through musical leadership; to share the good news of Christ with local congregations through music and worship arts; to shape and guide worship experiences for the NWC community.

One Travel Worship Coordinator position is available.

What will you do?

Serve as a spiritual leader for your team.

- o Encourage the spiritual growth of your team members through devotions, prayer, and other group exercises, as well as by life example.

Coordinate visits to local congregations.

- o Communicate respectfully and promptly with local pastors and worship leaders who request a visit from a NWC traveling team.
- o Work closely with the Director of Worship and Traveling Music Team Leader to schedule church visits.
- o Work closely with the leaders of each congregation and the Worship Coordinator Assistant to plan songs, prayers, sermons, and other elements of worship that will fit into the congregation's style of worship, expectations for the service, themes or scripture passages, and place in the church year.
- o Recruit NWC students to help with drama elements in the service, children's sermons, and delivering messages. Ability and willingness to deliver the message is preferable.
- o Create and gather prayers, liturgies, dramas, spoken word, and other elements of worship to enrich and enhance each worship service.
- o Be gracious representatives of the college, and of Christ, while visiting congregations: engaging folks in conversation, inviting them gently into the worship experience, and being the loving presence of Christ in as many ways as possible.
- o Occasionally assist recruiting of speakers for other worship opportunities on campus and help other leaders plan worship.

Continue to hone your worship planning and leading abilities.

- o Meet for discussions with the Director of Worship and other CMT leaders.
- o Incorporate feedback into your work with your team.
- o Attend training opportunities both on and off campus.

Expectations of NWC Student Leaders

Student leaders play an important role in the Northwestern community and contribute in significant ways towards accomplishing Northwestern's mission, Vision for Learning and Vision for Diversity. Being selected to serve as a student leader is an honor—it recognizes a student's leadership gifts and potential. Northwestern staff members are committed to mentoring student leaders, helping them to grow in their positions and encouraging them to develop their leadership abilities. Due to their public roles on campus, Northwestern expects student leaders to follow, support, and enforce the college's standards and guidelines with highest integrity. Northwestern staff will consider potential student leaders' stances on college policies when selecting student leaders. In cases where a current student leader either (a) fails to abide by a campus policy, or (b) actively opposes a campus policy and/or states that they will refuse to live by that policy in the future, consequences may include, but are not limited to, temporary or permanent suspension from their leadership position. Consequences will be determined by the Campus Ministry staff on a case-by-case basis.
